

Procedure in applying for AMADEUS VISTA

Amadeus Thailand would like to advise interested agencies who wish to have AMADEUS VISTA installed in their offices about the following procedure

- 1 An agency should submit a letter of intent in having **AMADEUS Reservation System** installed and all necessary information concerning the nature of your business to

THAI-AMADEUS Southeast Asia Co., Ltd.
The Offices At CentralWorld
999/9 Unit 3406-3412, 34th Fl.,
Rama Rd., Pathuwan, Bangkok 10330

Or fax to : 66 2207 9189

Additionally, please also attach the following documents for us to consider:

- 1.1 Copy of Company's Certification Document
- 1.2 Copy of Certificate of membership issued by Travel Industry related associations or organizations such as TTAA, IATA, ATTA
- 1.3 Copy of identification card of authorized director(s) of the Company
- 1.4 Any supplementary documents that may help us to learn more about your company such as training certificates issued by AMADEUS or IATA, etc.
- 2 Minimum hardware and software requirements for AMADEUS VISTA
 - 2.1 Personal Computer with Pentium III Processor 700 MHz
 - 2.2 Ram 256 MB
 - 2.3 VGA 1 MB
 - 2.4 Window XP
 - 2.5 Modem 56 Kbps for direct Internet connection /ADSL
 - 2.6 Internet Explorer 6.0 or Higher
 - 2.7 Internet account from any public Internet Service Provider (ISP) i.e. Loxinfo, Asianet, or Internet KSC with no Firewall.
 - 2.8 In case of Firewall System has been implemented, the TCP Ports number 80, 443 have to be opened.

In addition, AMADEUS VISTA is being provided to travel agencies for free of charge, until further notice. AMADEUS VISTA functions exactly the same way as conventional AMADEUS terminals, Cryptic command, Graphic User Interface (GUI) for new staff or reduces training.

Remarks: AMADEUS VISTA will work only on PC, on which AMADEUS certificate has been downloaded. Thus, in the future, if you need to format your hard disk, or need more AMADEUS VISTA terminals, you are kindly asked to inform us about your intention at least 2 weeks in advance.
